## 2010 AAFPO WEEKEND - JUNE 11-14

A variety of events have been scheduled to encourage members who haven't visited Angel Fire recently to see all of the progress that has occurred over the past few years and plans for the future. Entertainment events begin on Friday and continue throughout the day on Saturday and conclude on Sunday. Members are encouraged to attend events that pique their interest.

The "centerpiece" of the weekend is the Annual Meeting. Attendance has increased from less than 100 in 2006 to over 300 in 2009. To encourage everyone to attend the meeting, programs including discounts and special events throughout Angel Fire will be handed out at registration. These coupons and discounts will be honored at Angel Fire establishments over the weekend and throughout the week following the Annual Meeting.

This year's "AAFPO Weekend" promises to be bigger and better than the inaugural event last year. The weekend has been expanded and the Angel Fire Resort is now offering FREE lift tickets, FREE bungee jumping, FREE climbing wall and half-price golf greens fees and cart fees starting on Friday and continuing through Monday for eligible AAFPO members.

The events kick-off on Friday evening with a Wine & Cheese Party hosted by the *Sangre de Cristo Chronicle* on Friday evening at

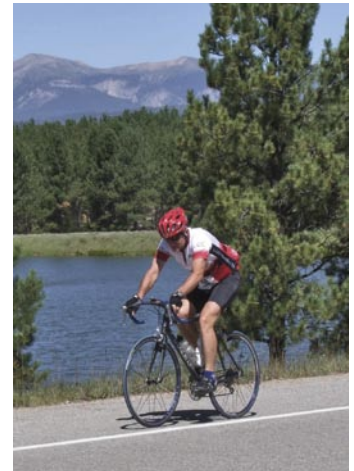

Centro Plaza. Members are then invited to assemble at the Angel Fire Resort Country Club for a complimentary glass of wine followed by a fireworks display (weather permitting) at dusk at a site to be determined. A live band will be performing during dinner with dancing until close. Saturday morning brings a "Sidewalk Sale" sponsored by the Angel Fire Retail Association from 9:00 am to 2:00 pm at the Enchanted Home Design Center. Hot dogs, chips and water will be served around noon.

For those interested in seeing points of interest in Angel Fire, a "Hop-a-Bus Tour" will be conducted between 10:00 am and 1:00 pm, starting at the Angel Fire Country Club. Several buses will continually circulate through Angel Fire, carrying riders to the Moreno Valley Charter High School and the Sports Complex, the "Sidewalk Sale," the Angel Fire Visitor Center, the Angel Fire Resort Country Club Clubhouse, Monte Verde Lake (with the new floating dock), AF Fire Station #2 (with the new ladder truck), the RV Park (with the new bathhouse), and the renovated Lodge at Angel Fire.

Riders may get off the bus at any stop and then catch later buses to get back to the starting point at the Angel Fire Country Club.

Registration for the Annual Meeting begins at 1:00 pm and

Preceding the Annual Meeting at the Community Center will be a new event – "The Taste of Angel Fire." Eight Angel Fire restaurants will provide snacks from 1:00 – 2:30 pm while members will be able to visit a number of exhibits hosted by area organizations. Eagle Nest State Park, The Vietnam Veterans Memorial, the Village of Angel Fire, Alliance Studying Paranormal Experiences (ASPE), Music from Angel Fire, the Angel Fire Arts Council, and Angel Fire Resort will provide information about the latest developments in Angel Fire and events planned for later in the summer.

For those members with small children (ages 4 – 12), a "babysitting" service will be available during the Annual Meeting at the Angel Fire Ski School building near the Chili Express lift. The Annual Meeting will include presentations by Angel Fire Mayor Stuart Hamilton and Angel Fire Resort CEO Pat Brunstad. The AAFPO Board will bring everyone up to date with their activities over the past year. A Question & Answer session will occur at the end of the meeting prior to the announcement of the AAFPO Board election and the winner of the voter participation award of a BASE/Charter assessment for the following year.

After a break for dinner, members are invited to return to the Community Center for a screening of the 2009 movie "The Blind Side" starring Acad-

emy Award-winning actress Sandra Bullock.

The last scheduled event of the weekend is the Angel Fire Resort "Social" at Olympic Park at noon on Sunday. Hamburgers and bratwurst and all of the fixins' will be served by members of the

Angel Fire Resort management team and the AAFPO Board of Directors. In case of inclement weather, the event will be moved to the Angel Fire Country Club.

The AAFPO Board has developed this weekend to encourage members to visit Angel Fire to become

familiar with what is happening in the hope that families will return later in the summer for a longer stay. Participation in the Annual Meeting will build a bond between the membership and the AAFPO Board. We encourage your participation and sincerely hope that you will plan to attend the event this year.
