

Bio of Edmond Auerbach for election to the AAFPO Board of Directors

I was born and raised in Los Angeles, Ca. and retired as a Detective Supervisor after a 27 year career with the Los Angeles Police Department, which I am proud and honored to have served in. Prior to joining the department, I attended Cal State for 3 years and majored in Business Administration/Accounting.

My wife Teresa and I have been Angel Fire property owners continuously since 1979 and we've been paying our dues to the resort ever since. We own a lot and a home that we built in 2004.

I am a past President of Angel Fire Rotary and served on the Angel Fire Chamber of Commerce for 2 years as a Board member.

My interest in serving on the AAFPO Board as a Director is to provide critical analysis and perspective on issues of importance to the membership and to try to ensure equity and fairness in the treatment of member's issues and the expenditures of their funds.

I thank you for your support.
