Education: BS Civil Engineering

Prior to moving to Angel Fire in 2000 I was owner and president of U.S. Contractors, Inc., Denver, CO.

I am currently co-owner of Alpine Gardens and Gifts, Inc., Angel Fire.

Presently I am serving on the AAFPO Board of Directors as an appointee and would like to continue to serve the membership.

With my background in engineering, construction and business I feel I can contribute to the operation of the board, particularly in regards to the amenities.

I am an avid skier and golfer and feel that being a member of AAFPO affords the best recreational value anywhere.

I would work diligently to insure that the recreation value continues and that AAFPO maintains a good working partnership with Angel Fire Resort.
